CDR,

Did you or the class officers have any records responsive to FOIA 2018-005061 or FOIA 2018-005087? The requester is concerned the class is graduating, and their emails will be deleted once they depart. This is true, so I need anything they have before graduation.

Very Respectfully,

Ma'am,

Please see attached. While you are working on the previous FOIA, can you look and ask the class officers to look and see if anyone has responsive records? CAPT (b) (6) received this same request for the class of 201, and they did have some email records that were responsive.
